

THE ROSS HISTORICAL SOCIETY / MOYA LIBRARY

invites you to a "First Friday Forenoon" program

SHIPWRECKS OF MARIN

Marin County is the graveyard of many ships. Local historian *Brian K. Crawford* has done extensive research fleshing out the details of famous wrecks and has identified more than a hundred wrecks not documented elsewhere. He published the results of his findings in his definitive book, *Shipwrecks of Marin* (available from Amazon.com). In this illustrated lecture, Crawford tells the stories of seven of the most significant wrecks on our coasts.

FRIDAY, MARCH 5 , 2021 at 11:00AM

Presented as a Zoom Webinar due to COVID restrictions
